Dear Mr. Bill Hunter:

Currently the Coastal Resources Division of the Georgia Department of Natural Resources is totally revamping its Saltwater Records program. Much of the problem lies in the updating of information pertaining to past and present record holders. This information is necessary so that we may issue certifications to record holders, most of whom have never received their certificates, and so that we may maintain contact with them in the future.

With this in mind, would you please let our office know if the above address and name are incorrect. If there are no errors, then we will mail your certificate to this address.

Thank you again for your cooperation. Please excuse our long delay in recognizing your outstanding catch.

Sincerely,

*Henry Ansley*

MR. Ansley —  
I appreciate your interest and would most like  
the certificate as in my years of fishing, this  
is my only "record".  
Again thank you  
William Hunter
