Dear Mr. Flynt:

Congratulations!

Your entry of a 5 lb. 12 oz. croaker (Micropogon undulatus) has been accepted as the new official Georgia record. Your fish will hold the State record until such time as a larger specimen is properly entered in accordance with the rules and regulations of the program and is accepted as the new record.

I have enclosed for your information a list of current State Record Saltwater Gamefish. Official certificates are being printed and I'll be mailing yours in the near future.

Let me take this opportunity to thank you for your interest in our State Records Program. It takes the interest, cooperation and support of sportsmen such as yourself to make the program work.

Good luck & Good fishing,

Larry D. Smith, C.P.M.
Program Chief-Sport Fisheries
