The Mission of the Law Enforcement Division is to conserve our natural resources and to protect the people we serve. We maintain public support through fair and vigorous law enforcement, quality education, and community involvement. We commit ourselves to our Vision and Mission by practicing our core beliefs: trust, fairness and professionalism.

DNR has the oldest state law enforcement unit in Georgia. In 1911, the Georgia General Assembly passed legislation creating Game Wardens. In those days, they patrolled the woods and waterways on foot and horseback, carrying their own firearms, wearing the now collectible “quail badge” pinned to their chests.

The people, equipment, methods, and technologies have drastically changed in the last 109 years but the core beliefs have not. Their roles continue to evolve but they still focus on their core mission of enforcing hunting, fishing, boating and environmental laws, providing public safety on all DNR-controlled properties, and serving outdoor enthusiasts and the public throughout Georgia.

Today, the agency is well-respected as one of the top conservation law enforcement divisions in North America. Utilizing new and reliable equipment, deploying the latest technology, and employing top-tier men and women are the keys to meeting the Division’s mission of conserving natural resources and protecting the people they serve.

Georgia Game Wardens are POST-certified peace officers with statewide authority and full arrest powers. They serve alongside all other local, state and federal agencies in all areas of law enforcement. They are often called upon to go Off the Pavement to get the job done with their specialized training in:

- Woodland Operations
- Waterborne Operations
- Aviation
- Critical Incident Reconstruction
- Search-and-rescue
- Disaster response
- K-9

The Ranger Hotline program, which provides a way for citizens to report anonymously potentially illegal wildlife and other conservation law violations, continues to be successful. If the information leads to an arrest, the tipster receives a cash reward funded by the Georgia Natural Resource Foundation.
