## **Instructions for Application Form for Dog Hunting Permit**

Attached is the form to apply for a Dog Hunting Permit. This permit must be received by anyone desiring to hunt deer with dogs in Georgia prior to any dog hunting activity. The application is one page and requires additional information be attached in order to be complete.

**Item #1.** Applicants are limited to property owners and lessees, check the box that applies. If the applicant owns part of the property and leases the remainder, check both boxes. Complete all of the information for this block including Social Security Number. **Mail all required documents, including item 2 below, to the correct region WRD Game Management office for review. Do not mail new applications to the Special Permit Unit in Social Circle, Georgia.**

**Item #2.** All tracts of land that are to be hunted must be listed to be covered under the permit. Tracts should be listed by individual property owner. **You must provide acreages and maps for all tracts.** Minimum permissible size for all leased tracts in combination is 1000 contiguous acres. However, a privately owned tract may be permitted if it is at least 250 contiguous acres. If additional space is needed, attach an additional page. **Maps should be an 8.5 X 11 official county tax map with aerial photo overlay displaying included property.** Applicant should mark access points (how will hunters get on the permitted property). Permittee will not be authorized to deer hunt with dogs on any tract not properly listed on the application or tracts for which no map or signature has been submitted.

**NOTE:** Additional properties added to a current permit will require reapplication for the permit (permittee and guests may continue to hunt on previously permitted property during review).

Each property owner or authorized agent with property to be included under the permit must print, sign and list expiration date in the spaces provided. Any property belonging to an owner who has not signed the application will be removed from consideration. The Department will accept a notarized copy of a lease for any given parcel of land in lieu of that owner's signature, provided that the lease specifically indicates that deer hunting with dogs is authorized. **Please provide, a list of all landowners with a contact address, phone number and Expiration date for each parcel to be covered by this permit on the form provided.**

**Item #3.** Please provide a list of **known** members when you submit application. Additions to the list may be made as members are added. Anyone not on the list must have written permission on his or her person from the permittee.

**Signature:** Application will not be processed without applicant's name, and signature.

Permit applications must be received at least 30 days prior to the first day for hunting deer with dogs on an eligible tract. To dog-hunt deer on opening day of deer season, submit applications **no later than September 20, 2018**

The application and all attached materials should be returned to your local Wildlife Resources, Game Management Office. Check the list of offices on the attached sheet to determine which office covers the county where the property is located.
